Sons Squadron 556

Commander Paul Yeskey

Meeting held on 2nd Monday of the Month 7:00

Just a quick update on the Sons Squadron here at Post 556! We have been busy with the upcoming elections at our meeting on May 14th; I hope many of you plan on attending. We just ask you to bring your paid up membership card, with you, it is required to vote.

This year we have the privilege of sponsoring two (2) Boys to American Legion Boys State. Boys State is a highly accredited program where young men learn about the many phases of government by setting up their own state government from local representation all the way to Governor.

We will be having a Post clean up here soon when the weather breaks if you are interested in helping let me know and watch for the date to be posted.

Thanks goes out to all members who sold gun tickets our spring gun raffle, we had a good turnout. Commander Paul Yeskey

Commander's Corner Continued

As the newly elected officers take their positions, I would like to thank everyone for a great year as your Commander. Congratulations to all the new officers as well. Let's hope this year is just as prosperous as the last. It takes everyone's efforts to make this work. Let's keep working on the communication gap and all work together to make our post the best post we can be.

For God and Country,
Brandan W. Yeskey
Commander

MAY AND JUNE 2018

NEWSLETTER

Commander's Corner Brandan Yeskey

My fellow Legionnaires, Welcome spring! Whenever it decides to get here. We are all asking the same question. It will be here soon enough and so will our spring activities. Thank you everyone who helped make our spring meat party a success. The herring breakfast went off without a hitch again too. Did anyone get a chance to check out the Jamestown Gazette? If not, check it out. We had a feature ad. Some big news this spring is, we will be having the Memorial Day parade at 9:30 this year instead of the usual 10 am start. The reason for the earlier start is so our local marching band will be able to attend. And as always join us at the cemetery for a guest speaker and our memorial services. Our annual flag burning ceremony will be held on Flag Day which is June 14th. Coming up in August is the 2nd annual River Run. We are looking for some volunteers to help load and unload boats. It will be August 11th this year, which is the second weekend in August. We are looking into a classic country band for the after party. The price will remain the same for the event. I want to make this year twice as big as last year. Start making your plans now to attend.
